Spirit of Giving “Your Best!” – Part IV

Presented by Pastor Daren Barron

Sermon Notes from November 3, 2013

Your Best!

- **Your best is always better than what you think you can do.**
- **Your best costs more than what you thought you have.**
- **Your best may not get anyone else’s attention, but it will get God’s attention.**

How do you know when you have given your best?

- **When you have exhausted all your knowledge, resources, and faith.**
- **When you begin to trust in God with all and not lean to your own understanding.**
- **When you trade your resources for The Source (Christ).**

What do you do after you have given your best?

- **Know that the enemy will attack covertly or overtly.**
- **Don’t go back!**
- **Make the appropriate preparations for the next level.**

Know that the enemy will attack covertly or overtly.

- **Do not allow the circumstances to stop your purpose! It is a trick to see what you will do in a time of adversity or challenge!**

Don't go back!

- **Create new habits.**
- **Make decisions based on hope and faith not on hurts. Work on giving your hurts to Christ and love to people.**
- **Get hung-up on God loves you and His grace covers you.**

Make the appropriate preparations for the next level

- **Your environment will produce what you see and hear, what you see and hear will produce what you think, what you think will produce what you say, what you say will produce what you have, what you have is seed for the sower to produce more.**

What do you do after you have given your best?

- **After you do what is naturally possible, wait for the supernatural!**

Psalm 27:14 (Amplified Bible, AMP)

Wait *and* hope for *and* expect the Lord; be brave *and* of good courage and let your heart be stout *and* enduring. Yes, wait for *and* hope for *and* expect the Lord.
